RE: RFP 2026.09 "Managed IT Services"

Question 1: Does the 10-page narrative limit the cover letter, pricing proposal, and reference list, or may those be submitted as attachments outside the 10-page limit?

Answer 1: The ten-page limit for the proposal applies to sections one through six (Cover Letter through Emergency Operations Support). Sections seven (References) and eight (Detailed Pricing Proposal) may be listed as attachments and do not count toward the ten-page limit.

Respectfully,

Sean H. Kuester
Deputy City Administrator
