Total Recommendations:
189

Complete or Ongoing:
104

In Progress:
24

Complete – The recommendation has been implemented. No further action is required.

Ongoing – The recommendation has been implemented but requires continuous or recurring efforts to maintain its objectives. Activities are integrated into regular City operations.

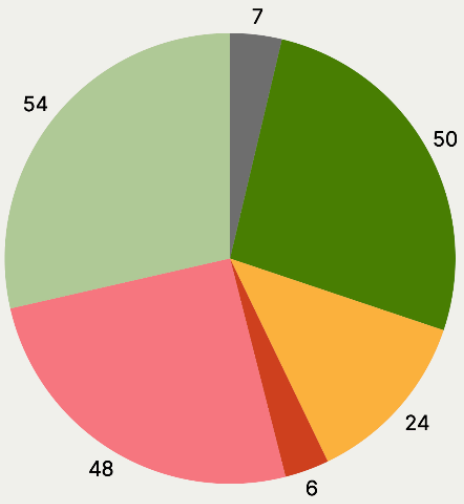

In Progress – Work has begun toward implementing the recommendation, but additional steps, resources, or time are needed to complete its objectives.

Infeasible – The recommendation has been evaluated and determined to be impractical or unachievable due to financial, legal, technical, environmental, or other significant constraints.

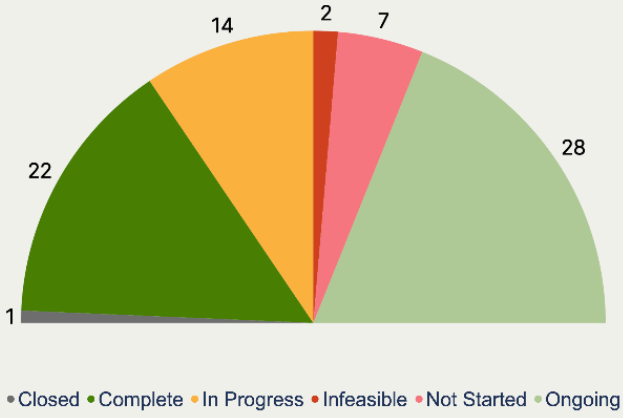

Closed – The recommendation is no longer being pursued due to changing priorities, circumstances, or policy decisions.

Not Started – No substantive action has been taken to implement the recommendation. It remains under consideration for future action.
